2010 Insurance Continuing Education Schedule

Hello, my name is Jim Sholar. I am the owner of Southern Insurance Training. I started this company in 2001 after spending nearly twenty years in the insurance agency business. Southern Insurance Training is a one person company. I prepare all of the classroom courses and I present all of the classes. I also take care of all of the administrative work. If you ever have any concerns about Southern Insurance Training, just give me a call.

While I believe an agent has a lot to gain by attending CE classes with other agents, I know that some prefer to take classes online. In an effort to provide online courses for my clients, I have partnered with WebCE to provide both online and self-study courses, in addition to my classroom courses. Information about these new online courses is available at my website, www.SouthernInsuranceTraining.com. If you would, please pass this information along to those in your office who take online courses. Again, I appreciate your help.

More than 3,100 agents and adjusters from across the state have attended my classes since 2001. I have been very fortunate to have met such fine folks and to have them return year after year. Those who attend my classes have told me that they really learned something and had a good time in the process.

If you have been with me before, thank you and please come again this year. If you have never attended one of my classes, please give me a try.

Sincerely,
Jim Sholar

These courses are approved for all types of NC insurance licenses and are rated "A".

Refund and Cancellation Policy

If you pre-register and need to cancel in advance of the class, I will refund your tuition or you may reschedule for any future class. Refunds will not be made for "No Shows" on the day of a class. I do reserve the right to cancel a class for inadequate registrations and will make every effort to notify you at least five days in advance of a cancellation. Refunds will be mailed if I cancel a class or you may reschedule.

Attendance policy

Since my courses require no exams, the Department of Insurance requires you to be present for the entire course in order to receive credit for the class. Please be on time at the beginning of each course and please return from breaks on time also. Late arrivals cannot be admitted.

Courses

All of my classroom courses are new for 2010 and have been approved by the NC Department of Insurance and have been rated "A" by the Department of Insurance. This means that my courses are designed for the agent with at least one year or more of experience. I offer only newly approved classroom courses each year. This means you never have to worry about repeating one of my classroom courses.

Private Groups

I have open dates on my schedule to accommodate private groups. Please contact me if you have an interest in scheduling courses for your company or agency. Discounts are available for groups who provide the meeting facilities. I do ask for a ten person minimum and a minimum of six credit hours for your group.
